

Approved Child Abusers Treatment Programs

As of October 2016, these are the Child Abusers Treatment Programs approved by the Orange County Probation Department. These programs are 12 months in length and follow the “Guidelines for Child Abuser’s Treatment Programs”, developed by the Child Abuser’s Treatment Advisory Committee. These programs meet the legal requirements for child abuser’s treatment and are monitored by the Probation Department. Concurrent parenting classes accompanying these programs are 6 months in length; they may be ordered by the court, probation or the provider as part of an overall treatment plan.
